

“ 6” Haunted House Block ”

Thank you to Tracy Smith for the design of this block!! You will see in her version she added a cloud in front of the moon!

You will need Background fabric, scraps for the remaining pieces and fusible to bond your pieces to your background.

Cut out the pieces from the pattern page.

Press fusible to backside of your scraps and then trace around pattern pieces and cut out. Then fuse to background fabric in the following order:

(Thank you Tracy Smith for the 6" pattern)

For 12" enlarge the pattern page to fit on a 12 ½" background.
